Declaration of the international partner

I declare that I have been involved in the planning of the project application

(title)

and that if this application is successful I shall supervise the project together with the project leader working in Austria. I commit myself to work personally at the research institution in Austria for the length of time foreseen in the application and agree to conclude a contract of employment with the Austrian research institution to cover this period. I am responsible for declaring the contract in the country of my own research institution and for paying any tax that may be levied on income from the contract. Furthermore, I consent to allow project workers from Austria to undertake temporary visits to my institution to perform research, in agreement with the project leader.
