How to apply?

Applications should be submitted to ANR only, thereby following the formal requirements of ANR (<http://www.agence-nationale-recherche.fr/programmes-de-recherche/appel-detail/programme-blanc-international-2-2012/>). ANR takes the role of the “Lead Agency”. This means that ANR will carry out the evaluation of the applications. Based on the reviews, the two agencies will take the funding decisions.

For the Austrian project part, the **eligibility criteria** as well as the **cost guidelines** for “stand-alone projects” (“Einzelprojekte”) apply: http://www.fwf.ac.at/de/applications/p/p_antragsrichtlinien.pdf.

Austrian applicants should send FWF the filled out **application forms** (application form + programme specific data + cost sheet; other documents, e.g. for a national research partner, only if necessary) plus **abstracts** in German and English before the deadline. All documents are required both in hard copy *and* on a CD-Rom. The application forms can be downloaded here:
