

2011 Joint Call between
Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET) and the
Austrian Science Fund (FWF)

Joint Projects (JP):

Submission deadline: **July 29, 2011** (FWF: postmark)

Project Duration: up to 3 years

Eligible scientific fields: all scientific disciplines

Joint Projects aim at funding **closely integrated** bilateral research projects. Scientists from Argentina and from Austria apply for their respective project parts **at their country's funding organisation**, using the forms prescribed by the respective agency. The **titles** of both applications **must be the same**. Only if **both organisations approve** the respective proposals, the Joint Project will be funded.

For applications at FWF the "**Application Guidelines for Stand Alone Projects**" ("Antragsrichtlinien für Einzelprojekte") apply (downloadable at <http://www.fwf.ac.at/de/applications/p-einzelprojekte.html>). Applicants should also pay attention to the "**Infoblatt Joint Projects**". In addition to the application documents mentioned in the application guidelines, applicants must send the **application form**, the sheet "**programme specific data**" form as well as the **cost-sheet** to FWF. These documents can be downloaded here: http://www.fwf.ac.at/de/applications/i-internationale_kooperationsprojekte.html). All documents must be submitted to FWF as **hard-copy** as well as on a **CD-Rom**.
