

**Joint Call between
the National Science Council (NSC, Taiwan) & the Austrian Science Fund (FWF)**

Joint Projects (JP):

Deadline for Applications: **January 31, 2012** (FWF: date of postmark)

Project Duration: max. 3 years

All fields of basic research, including the humanities, are covered by the call.

Scientists from Taiwan and Austria apply for their respective project parts at their country's funding organisation. The titles of both applications must be the same. Applicants at FWF should consult the "**Info-Blatt Bilaterale Abkommen**" for more details:

http://www.fwf.ac.at/de/applications/i/i_infoblatt_jp.pdf.

Joint Seminars (JS):

2 Deadlines for Applications: **January 31, 2012** (*for Joint Seminars taking place between July and December 2012*)

July 31, 2012 (*for Joint Seminars taking place between January and June 2013*)

Location: Taiwan or Austria

No. of participants: max. 12 per country

Applications should preferably involve more than one research institution/university from each country. The composition of the teams should be balanced on both sides (e.g. with regard to the participation of senior and junior scientists). Scientists from Taiwan and Austria apply at their country's respective organisation. The titles of both applications must be the same.

Costs:

The "sending organisation" pays for international travel costs, while the "host organisation" pays for the living expenses (including accommodation and miscellaneous costs). Please note that in the case of a JS taking place in Austria, the Austrian side has to apply for the living expenses of their colleagues from Taiwan as well as the expenses for the JS (and v.v. in the case of a JS taking place in Taiwan). Applicants at FWF should consult the "**Antragsrichtlinien für Joint Seminars**" at http://www.fwf.ac.at/de/applications/ajs/ajs_antragsrichtlinien.pdf.
