(On the basis of the information provided above, the FWF will decide whether the stand-alone project proposal or Schrödinger fellowship application meets the subject-related requirements of the current call. If that is not the case, the applicant hereby acknowledges and agrees that the project submitted will be processed and reviewed along with other applications for the Stand-Alone Projects programme or Clinical Research programme or Erwin Schrödinger fellowship programme. In addition, the applicant hereby acknowledges and agrees that, in cases where the project is not approved by the Gottfried and Vera Weiss Foundation, the project may be funded directly by the FWF in accordance with the applicable conditions.)
