

Personnel costs / Salaries for 2023 in EURO for Graduates of Medical Studies in Austria

Valid from February 1, 2023

Please note that these standard personnel costs and salaries apply only to grant proposals for FWF projects. Actual personnel costs may diverge from the values indicated below due to specific remuneration agreements at each research institution.

1) Employment via contracts in FWF-funded projects:

a.) Personnel costs for graduates of curriculum **N, O, Q 201** or **N, Q 094** and for graduates of curriculum **N, O 790** or **N 090**:

Contracts of employment	Working hours	Annual personnel costs ¹	Gross monthly salary
Postdoc	40	76,990.00	4,351.90

b.) Personnel costs for graduates of curriculum **N, O, Q 202** or **N, O, Q 203**:

Contracts of employment	Working hours	Annual personnel costs ¹	Gross monthly salary
Doctoral candidates²	30	43,650.00	2,464.80

Gross-nett conversion (in German):

<https://rechner.cpulohn.at/bmf.gv.at/#bruttoNetto>

1 Including employer's contributions

2 The personnel costs that can be requested for doctoral candidates are limited to a maximum of 30 hours/week. The basis for calculating personnel costs for fewer working hours is € 58,200.00 per year (=100%).

2) Applications by a grant-salaried principal investigator (applications that include request for payment of the applicants' salary):

Important: Please note that only graduates of curriculum **N, O** or **Q 201** or **N, Q 094** and of **N, O 790** or **N 090** are eligible to submit applications for funding under programmes that require applicants to have completed a doctoral study (specified in the respective programme-specific application guidelines).

- a.) Personnel cost rate for project leaders who finance their own salary from the project budget (grant-salaried PI's and project leaders in the career development programmes ESPRIT, Schrödinger (return phase), Richter and Richter-PEEK). To be used if the research institution at which the project is to be carried is subject to the Austrian Universities Act (UG) 2002 or if the research institution has concluded an agreement with the FWF in this regard:

Contracts of employment	Working hours	Annual personnel costs ¹	Gross monthly salary
Senior Postdoc	40	84,430.00	4,772.70

- b.) Personnel cost rate for project leaders who finance their own salary from the project budget (grant-salaried PI's and project leaders in the career development programmes Richter and Richter-PEEK). To be used if the research institution at which the project is to be carried out is not subject to the Austrian Universities Act (UG) 2002 or if the research institution has not concluded an agreement with the FWF in this regard:

Research subsidy for grant-salaried principle investigators

Grant-salaried PI Senior Postdoc	68,100.00	
----------------------------------	-----------	--

Funding can only be requested for the salary of an independent researcher in cases where that researcher cannot conclude a contract of employment with a research institution. In such cases, applicants are advised to contact the FWF Office for further information in order to ensure that the application is submitted properly.
